

Programming Fundamental

Assignment #01

WordPress

A note of warning: Start work on assignments as soon as they are given. Do not underestimate the demanding nature of this course. Expect the system to crash the night before your program is due. Aim to have it done the day before.

Submit the assignment on [slate](#). Do not email me assignments after due date. It will not be accepted in any case. **Students are required to submit actual content written in MS word or Pdf. Hand written/ Scanned assignments will not be accepted.**

1. Set up the WordPress environment on your PCs/laptops
2. Paste the following screenshots in your assignment
 - a. Overall view of your blog
 - b. Post on your blog
 - c. Comment on your blog
 - d. Add a new page

Note: Name of the file should start with your Roll number followed by your Name and at the end assignment number

For Example: P180002 name assign#01
